COURSEWORK

- Data Structures & Algorithms
- Operating Systems
- Information Security
- Database Management System (DBMS)
- Object-Oriented Programming

SKILLS

- C++
- JavaScript
- MERN
- Python
- java
- SQL
- CSS
- HTML
- TypeScript

DEVELOPER TOOLS

- VS Code
- Github
- Postman
- MongoDB Compass

PROJECT

CURRENCY CONVERTER USING CURRENCY API ⬡ ▤

- Created a dynamic and user-friendly currency converter application using **HTML, React.js, and Tailwind CSS**.
- Designed an intuitive user interface with dropdowns for **selecting source and target currencies and input fields** for entering the amount.
- Integrated a **currency exchange rate API** to fetch up-to-date exchange rates for accurate currency conversion.
- Utilized **React's state management to dynamically** calculate and display converted amounts based on user input.
- **Learning -** React.js,Api,state mangement,react-hooks,react-props.

DOCTOR APPOINTMENT SYSTEM ⬡ ▤

- Developed a doctor appointment system using **MERN Stack** for efficient scheduling and management of appointments.
- Implemented a user-friendly interface using **HTML,CSS** allowing patients to book appointments based on doctor availability .
- Implemented a **database schema** to store patient and appointment data securely, Using **MongoDB** .
- **Learning -** Express.js,React.js,Bcrypt,jsonwebtoken,Dotenv,Proxy, Antd,Axios,react-router-dom,react-redux,MongoDB,Mongoose.

ACHIEVEMENT

- Solved **450+** questions on **Leetcode.**
- Solved **600+** questions on **Various Coding Platforms.**
- Achieved **5 Star** in **Problem Solving** at **HackerRank.**
- **AIR-680** in **NIMCET 2021.**

CERTIFICATE

Accenture Developer Virtual Experience Program 🔗

- Simulated a real client project in the **Accenture** Developer Program .

Mastering TypeScript - 2023 Edition 🔗

- Completed an advanced **TypeScript course on Udemy.**
- Enhancing skills in writing **scalable and maintainable code** using TypeScript features.

HackerRank Intermediate Problem Solving Certificate 🔗

- Earned the **HackerRank** Intermediate Problem Solving Certificate.
